

Starting the Research Process in OneSearch

OneSearch is a tool that searches the library’s book catalog, the library’s online subscription-based databases, and some public databases and websites. Here’s what to look for in your search results:

My topic is from...	Look for:	
...last week, or is recently “a thing.”	 Newspaper Article	Or search recent news on the web.
...the past few weeks, or the public is mostly aware of it.	 or  Newspaper Article Article	Popular magazine articles.
...the past few months, or academics are analyzing it.	 Article	Popular magazine or scholarly peer-reviewed journal articles.
...the past few years.	 or  Article Book	Books in the library or online.
...more than few years ago.	 or  Book Reference Entry	“Entry”=Online reference book info. Also check government websites.
